

# DISCOVER OUR HIGH SCHOOL!

- Okulumuz öğretmenlerinden Zehra Şekerci'nin üyesi olduğu projede katılımcıların çeşitli eğitim sistemleri ve okul kültürlerini tanıması, öğrencilerin videolarını ortak bir dilde hazırlayıp sunmaları sayesinde İngilizce yeterliliklerini geliştirmeleri, akranlarıyla işbirliği, teknolojik yeterlilik kazanmalarını arttırmaları hedeflenmektedir. Ayrıca farklı ülkelerden öğretmenler arasında pedagojik stratejiler ve eğitim uygulamalarının değişimi beklenmektedir.

## Achieved Benefits for Schools, Teachers and Students

### For Schools:

- **Global Visibility:** Increased visibility and recognition of each participating school on an international platform.
- **Enhanced Reputation:** Strengthened reputation and attractiveness to prospective students and educators due to active participation in international projects.

### For Teachers:

- **Professional Development:** Opportunities for professional development through collaboration and exchange of best practices with international colleagues.
- **Innovative Teaching Methods:** Exposure to innovative teaching methods and educational technologies that can be integrated into their own classrooms.

### For Students:

- **Intercultural Competence:** Development of intercultural competence and a broader worldview.
- **Increased Motivation:** Enhanced motivation and engagement through participation in an exciting and novel project.
- **Practical Skills:** Acquisition of practical skills in video production, editing, and online collaboration.
- **Academic Growth:** Improved understanding of different educational systems and new perspectives on their own studies.
